2017 Summer Programs
July 10-July 27, 8:30-12:00
(Monday-Thursday)
Costa Mesa Middle School
Transportation Available

**Summer Music Academy**
Students currently in Grades 3-6 will learn how to read music and play an instrument. Instruction will be offered in music reading and playing on violin, cello, flute, clarinet, trumpet, baritone, alto saxophone, tenor saxophone, percussion and electric bass. Students will be provided the use of clarinets, trumpets, or violins, student method (instrument) books and music theory exercises. There will be a culminating concert at the end of the program.

**Summer Engineering Academy**
Students currently in Kinder – Grade 6 have an exciting opportunity to explore earth science concepts through a series of investigations with an emphasis on engineering, exploration, data collection and interpretation. The Academy will provide students with an understanding of science that will stimulate curiosity, develop thinking skills, promote confidence, and support the Next Generation Science Standards and New State Standards.

All applications will be accepted between April 17-May 3. Please submit completed applications to your schools front office.

Both programs will be based on zone lottery.
