Estancia Zone Families, Staff, Students and Community Members...

Please Join Us and Provide Your Input!

The District is exploring options to create flagship programs for each school zone in N-MUSD. We are beginning this process with the Estancia zone schools. The goal is to develop Two flagship programs per zone...

One Academic and One Arts!

Come to one or all of the meetings listed. The format for the input meetings will be the same at each location. All information will be posted online on the District and Estancia schools’ zone websites following the meetings.
