Newport-Mesa Employee “Super-Star” Awards

“Reaching for the Stars”

Going far beyond the call of duty, doing more than others expect…
This is what excellence is all about.
It comes from striving, maintaining the highest standards, paying attention to the smallest detail, going the extra mile.
Excellence means caring – it’s making a special effort to do more.

Celebrating Excellence!

Nominations are now being accepted for Employee Superstars.
Nominations need to be submitted and received by Friday, December 4, 2015 to be considered.

Know someone deserving of recognition? Make their day and complete the Online Nomination Form at www.nmusd.us/superstar. Every person nominated receives a letter of congratulations. Your nomination can be made public or you can also submit it anonymously. All nominations are then forwarded to the Superstar Awards Selection Committee. The committee selects 20-25 nominees twice a year to be recognized at Board meetings. Recipients honored at the Board level receive a pin, certificate and a personally engraved star.

A good tip – To make your nomination stand out above the rest, be specific about the individual’s unique and compelling contribution(s).

The online nomination form is available at: www.nmusd.us/superstar.
