1. Actual features may vary by dentist. Dentist profile information is provided by Brighter, Inc., an independent company. These and other dentist directory features are for educational purposes only and should not be the sole basis for decision-making. You are encouraged to consider all relevant factors and to speak with your treating dentist when choosing where to receive dental care.

2. The term DHMO ("Dental HMO") is used to refer to product designs that may differ by state of residence of enrollee, including but not limited to, prepaid plans, managed care plans, and plans with open access features. The Cigna DHMO is not available in the following states: AK, HI, ME, MT, NH, NM, ND, PR, RI, SD, VI, VT, WV, and WY.

The dentists who participate in the Cigna network are independent practitioners solely responsible for the treatment provided to their patients. They are not agents of Cigna.

Product availability may vary by location and plan type and is subject to change. All group dental insurance policies and dental benefit plans contain exclusions and limitations. For costs and complete details of coverage, see your plan documents.
