To Parents/Guardians:

Your child is attending a school receiving Title I federal funds through the Elementary and Secondary Education Act (ESEA). At the beginning of each school year, local educational agencies receiving Title I funds are required to notify parents whose student(s) attend a Title I school that they may request, and the agency will provide the parents on request (and in a timely manner), information regarding the professional qualifications of the student’s classroom teachers, including at a minimum:

1. Whether the student’s teacher:
   - Has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
   - Is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
   - Is teaching in the field of discipline of the certification of the teacher.

2. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

At this time, the teachers and paraprofessionals at your child’s school are fully credentialed or qualified. This letter is for notification purposes only.

If you would like this information, please contact the principal at your child’s school of attendance or Human Resources at 714-424-7550.

Sincerely,

Leona Olson
