AGREEMENT FORM

THIS AGREEMENT, entered into this 24th day of June, 2020 in the County of Orange of the State of California, by and between the Newport Mesa Unified School District, hereinafter called the “District”, and Cabral Roofing Group, hereinafter called the “Contractor”.

WITNESSETH that the District and the Contractor for the consideration stated herein agree as follows:

SCOPE OF WORK: The Contractor shall furnish all labor, materials, equipment, tools, and utility and transportation services, and perform and complete all work required in connection with Bid # 117-20 Districtwide Roof Maintenance (“Project”) in strict accordance with the Contract Documents enumerated in Article 7 below. The Contractor shall be liable to the District for any damages arising as a result of a failure to comply with that obligation, and the Contractor shall not be excused with respect to any failure to so comply by an act or omission of the Architect, Engineer, Inspector, Division of the State Architect (DSA), or representative of any of them, unless such act or omission actually prevents the Contractor from fully complying with the Contract Documents and the Contractor protests, in accordance with the Contract Documents, that the act or omission is preventing the Contractor from fully complying with the Contract Documents. Such protest shall not be effective unless reduced to writing and filed with the District office within seven (7) days of the date of occurrence of such act or omission preventing the Contractor from fully complying with the Contract Documents.

TIME OF COMPLETION: The District may give notice to proceed within ninety (90) days of the award of the bid by the District. Once the Contractor has received a notice to proceed, the Contractor shall reach Substantial Completion (See Article 1.1.46) of the Work within Three Hundred Sixty Five (365) calendar days from receipt of the Notice to Proceed. This shall be called Contract Time. (See Article Error! Reference source not found.). It is expressly understood that time is of the essence.

Contractor has thoroughly studied the Project and has satisfied itself that the time period for this Project was adequate for the timely and proper completion of the Project within each milestone and within the Contract time. Further, Contractor has included in the analysis of the time required for this Project, items set forth in General Conditions Article Error! Reference source not found., Submittal Schedules, Rain Day Float, and Governmental Delay Float.

In the event that the District desires to postpone giving the notice to proceed beyond this ninety (90) day period, it is expressly understood that with reasonable notice to the Contractor, giving the notice to proceed may be postponed by the District. It is further expressly understood by the Contractor, that the Contractor shall not be entitled to any claim of additional compensation as a result of the District’s postponement of giving the notice to proceed.

If the Contractor believes that a postponement will cause hardship to it, the Contractor may terminate the Contract with written notice to the District within ten (10) days after receipt by the Contractor of the District’s notice of postponement. It is further understood by the Contractor that in the event that the Contractor terminates the Contract as a result of postponement by the District, the District shall only be obligated to pay the Contractor for the work performed by the Contractor at the time of notification of postponement. Should the Contractor terminate the Contract as a result of a notice of postponement, the District shall have the authority to award the Contract to the next lowest responsible bidder.
LIQUIDATED DAMAGES: It being impracticable and infeasible to determine the amount of actual damage, it is agreed that the Contractor will pay the District the sum of Two Hundred ($200.00) per calendar day for each and every day of delay beyond the Contract Time set forth in Article 2 of this Agreement (inclusive of Milestones that are critical on the critical path or noted as critical to the District) as liquidated damages and not as a penalty or forfeiture. In the event Liquidated Damages are not paid, the Contractor further agrees that the District may deduct such amount thereof from any money due or that may become due the Contractor under the Contract (See Article Error! Reference source not found. and Error! Reference source not found. of the General Conditions).

CONTRACT PRICE: The District shall pay to the Contractor as full consideration for the faithful performance of the Contract, subject to any additions or deductions as provided in the Contract Documents, the sum of Four Hundred Forty Five Thousand One Hundred Eighty Five DOLLARS ($445,185.00), said sum being the total amount stipulated in the Bid Contractor submitted. Payment shall be made as set forth in the General Conditions.

Should any Change Order result in an increase in the Contract Price, the cost of such Change Order shall be agreed to in advance by the Contractor and the District, subject to the monetary limitations set forth in Public Contract Code section 20118.4. In the event that the Contractor proceeds with a Change in work without an agreement between the District and Contractor regarding the cost of a Change Order, the Contractor waives any Claim of additional compensation for such additional work.

HOLD HARMLESS AGREEMENT: Contractor shall defend, indemnify and hold harmless District, Architect, Inspector, the State of California and their officers, employees, agents and independent contractors from all liabilities, claims, actions, liens, judgments, demands, damages, losses, costs or expenses of any kind arising from death, personal injury, property damage or other cause based or asserted upon any act, omission, or breach connected with or arising from the progress of Work or performance of service under this Agreement or the Contract Documents. PERFORMANCE BOND

(CALIFORNIA PUBLIC WORK)

KNOW ALL MEN BY THESE PRESENTS:

THAT WHEREAS, the Newport Mesa Unified School DISTRICT (sometimes referred to hereinafter as "Obligee," has awarded to ACABRAL ROOFING GROUP (hereinafter designated as the "Principal," or "Contractor,"), an agreement for the work described as follows: BID# 117-20 DISTRICTWIDE ROOF MAINTENANCE (hereinafter referred to as the "Public Work,"); and

WHEREAS, the work to be performed by the Contractor is more particularly set forth in that certain contract for said Public Work dated JUNE 24TH 2020, (hereinafter referred to as the "Contract,"), which Contract is incorporated herein by this reference; and

WHEREAS, the Contractor is required by said Contract to perform the terms thereof and to provide a bond both for the performance and guaranty thereof.

NOW, THEREFORE, we, ACABRAL ROOFING GROUP, the undersigned Contractor, as Principal, and OLD REPUBLIC SURETY COMPANY, a corporation organized and existing under the laws of the State of WISCONSIN, and duly authorized to transact business under the laws of the State of California, as Surety, are held and firmly bound unto the Newport Mesa Unified School DISTRICT in the sum of FOUR HUNDRED FORTY FIVE THOUSAND ONE HUNDRED EIGHTY FIVE Dollars ($445,185.00), said sum being not less than one hundred percent (100%) of the total amount payable by said Obligee under the terms of said Contract, for which amount well and truly to be made, we bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH THAT, if the bounded Contractor, his or her heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions, and agreements in said Contract and any alteration thereof made as therein provided, on his or her part, to be kept and performed at the time and in the manner therein specified, and in all respects according to their intent and meaning; and shall faithfully fulfill guarantees of all materials and workmanship; and indemnify, defend and save harmless the Obligee, its officers and agents, as stipulated in said Contract, then this obligation shall become null and void; otherwise it shall be and remain in full force and effect.

The Surety, for value received, hereby stipulates and agrees that it shall not be exonerated or released from the obligation of this bond (either by total exoneration or pro tanto) by any change, extension of time, alteration in or addition to the terms of the contract or to the work to be performed there under or the specifications accompanying the same, nor by any change or modification to any terms of payment or extension of time for any payment pertaining or relating to any scheme of work of improvement under the contract. Surety also stipulates and agrees that it shall not be exonerated or released from the obligation of this bond (either by total exoneration or pro tanto) by any overpayment or underpayment by the Obligee that is based upon estimates approved by the Architect. The Surety stipulates and agrees that none of the aforementioned changes, modifications, alterations, additions, extension of time or actions shall in any way affect its obligation on this bond, and it does hereby waive notice of any such changes, modifications,
alterations, additions or extension of time to the terms of the contract, or to the work, or the specifications as well notice of any other actions that result in the foregoing.

Whenever Principal shall be, and is declared by the Obligee to be, in default under the Contract, the Surety shall promptly either remedy the default, or shall promptly take over and complete the Contract through its agents or independent contractors, subject to acceptance and approval of such agents or independent contractors by Obligee as hereinafter set forth, in accordance with its terms and conditions and to pay and perform all obligations of Principal under the Contract, including, without limitation, all obligations with respect to warranties, guarantees and the payment of Liquidated Damages; or, at Obligee's sole discretion and election, Surety shall obtain a bid or bids for completing the Contract in accordance with its terms and conditions, and upon determination by Obligee of the lowest responsible bidder, arrange for a contract between such bidder and the Obligee and make available as Work progresses (even though there should be a default or succession of defaults under the contract or contracts of completion arranged under this paragraph) sufficient funds to pay the cost of completion less the "balance of the Contract Price," (as hereinafter defined), and to pay and perform all obligations of Principal under the Contract, including, without limitation, all obligations with respect to warranties, guarantees and the payment of Liquidated Damages. The term "balance of the Contract Price," as used in this paragraph, shall mean the total amount payable to Principal by the Obligee under the Contract and any modifications thereto, less the amount previously paid by the Obligee to the Principal, less any withholdings by the Obligee allowed under the Contract. Obligee shall not be required or obligated to accept a tender of a completion contractor from the Surety.

Surety expressly agrees that the Obligee may reject any agent or contractor which may be proposed by Surety in fulfillment of its obligations in the event of default by the Principal. Unless otherwise agreed by Obligee, in its sole discretion, Surety shall not utilize Principal in completing the Contract nor shall Surety accept a bid from Principal for completion of the work in the event of default by the Principal.

No final settlement between the Obligee and the Contractor shall abridge the right of any beneficiary hereunder, whose claim may be unsatisfied.

The Surety shall remain responsible and liable for all patent and latent defects that arise out of or relate to the Contractor's failure and/or inability to properly complete the Public Work as required by the Contract and the Contract Documents. The obligation of the Surety hereunder shall continue so long as any obligation of the Contractor remains.

Contractor and Surety agree that if the Obligee is required to engage the services of an attorney in connection with enforcement of the bond, Contractor and Surety shall pay Obligee's reasonable attorneys' fees incurred, with or without suit, in addition to the above sum.

In the event suit is brought upon this bond by the Obligee and judgment is recovered, the Surety shall pay all costs incurred by the Obligee in such suit, including reasonable attorneys' fees to be fixed by the Court.
IN WITNESS WHEREOF, we have hereunto set our hands and seals this 1st day of JULY__________, 2020.

ARTISAN CONTRACTOR EXTENSION - ADDITIONAL INSURED - WAIVER OF TRANSFER
OF RIGHTS OF RECOVERY AGAINST OTHERS TO US - AUTOMATIC STATUS WHEN
REQUIRED IN CONTRACT OR AGREEMENT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. ADDITIONAL INSURED - AUTOMATIC STATUS WHEN REQUIRED IN CONTRACT OR
AGREEMENT

1. Section II - Who Is An Insured is amended to include as an additional insured any person or
organization for whom you are performing operations when you and such person or organization have
agreed in writing in a contract or agreement that such person or organization be added as an additional
insured on your policy. Such person or organization is an additional insured only with respect to liability
for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

a. Your acts or omissions; or
b. The acts or omissions of those acting on your behalf;
in the performance of your ongoing operations for the additional insured.

However, the insurance afforded to such additional insured:

a. Only applies to the extent permitted by law; and
b. Will not be broader than that which you are required by the contract or agreement to provide for such
additional insured.

A person's or organization's status as an additional insured under this endorsement ends when your
operations for that additional insured are completed.

2. This insurance shall not apply to claims, "suits" or damages arising out of the acts, omissions or
negligence of the additional insured(s).

3. With respect to the insurance afforded to these additional insureds, the following additional exclusion
applies:

This insurance does not apply to:

"Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or
the failure to render, any professional architectural, engineering or surveying services, including:

a. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports,
   surveys, field orders, change orders or drawings and specifications; or
b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the
supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which
caused the "bodily injury" or "property damage", or the offense which caused the "personal and
advertising injury", involved the rendering of or the failure to render any professional architectural,
engineering or surveying services.

4. The following is added to 4.a. of Other Insurance of Section IV - Commercial General Liability
   Conditions:

   The insurance afforded to the additional insured will be Primary Insurance and Noncontributory, but only if
such claims, "suits" or damages arise out of the sole negligence of the Named Insured.
5. With respect to the insurance afforded to the additional insured, the following exclusions apply:
   This insurance does not apply to "bodily injury" or "property damage" occurring after.
   a. All work on this project, including materials, parts, or equipment furnished in connection with such
      work (other than service, maintenance, or repairs), to be performed by or on behalf of the additional
      insured(s) at the location of the covered operations has been completed; or
   b. That portion of "your work" out of which the injury or damage arises has been put to its intended use
      by any person or organization other than another contractor or subcontractor engaged in performing
      operations for a principal as a part of the same project.

6. With respect to the insurance afforded to these additional insureds, the following is added to Section III -
   Limits of Insurance:
   The most we will pay on behalf of the additional insured is the amount of insurance:
   a. Required by the contract or agreement you have entered into with the additional insured; or
   b. Available under the applicable Limits of Insurance shown in the Declarations;
      whichever is less.
   This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

B. WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

   The following is added to 8. Transfer Of Rights Of Recovery Against Others To Us of Section IV -
   Commercial General Liability Conditions:

   We waive any right of recovery we may have against those who are added as additional insureds by this
   endorsement because of payments we make for injury or damage arising out of your ongoing operations or
   "your work" performed under a contract with them. This waiver applies only when you are solely negligent.
   This waiver shall not apply to claims, "suits" or damages arising in whole or in part out of the acts, omissions,
   or negligence of those added as additional insureds by this endorsement.

All other terms and conditions remain unchanged.

CONSTRUCTION PROJECT GENERAL AGGREGATE LIMIT WHEN REQUIRED BY CONTRACT AND MAXIMUM PER POLICY GENERAL AGGREGATE LIMIT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Limits Of Insurance

Maximum Per Policy General Aggregate Limit $5,000,000

A. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I - Coverage A - Bodily Injury And Property Damage Liability, and for all medical expenses caused by accidents under Section I - Coverage C - Medical Payments, which can be attributed only to ongoing operations at a single construction project:

1. A separate Construction Project General Aggregate Limit applies to each construction project when required in a written construction contract or agreement, and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

2. The Construction Project General Aggregate Limit is the most we will pay for the sum of all damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under Coverage C regardless of the number of:
   a. Insureds;
   b. Claims made or "suits" brought; or
   c. Persons or organizations making claims or bringing "suits".

3. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the Construction Project General Aggregate Limit for that construction project. Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Construction Project General Aggregate Limit for any other construction project.

4. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Construction Project General Aggregate Limit.

5. The Maximum Per Policy General Aggregate Limit shown in the Schedule is the most we will pay for the sum of all Construction Project General Aggregate Limits and the General Aggregate Limit shown in the Declarations regardless of the number of:
   a. Insureds;
   b. Claims made or "suits" brought;
   c. Persons or organizations making claims or bringing "suits"; or
   d. Construction projects.
B. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I - Coverage A - Bodily Injury And Property Damage Liability, and for all medical expenses caused by accidents under Section I - Coverage C - Medical Payments, which cannot be attributed only to ongoing operations at a single construction project:

1. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the amount available under the General Aggregate Limit shown in the Declarations or the Products-Completed Operations Aggregate Limit shown in the Declarations, whichever is applicable; and

2. Such payments shall not reduce any Construction Project General Aggregate Limit.

C. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit shown in the Declarations, and not reduce the General Aggregate Limit shown in the Declarations nor the Construction Project General Aggregate Limit.

D. If the applicable construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications, or timetables, the project will still be deemed to be the same construction project.

E. The provisions of Section III - Limits Of Insurance not otherwise modified by this endorsement shall continue to apply as stipulated.

All other terms and conditions of this policy remain unchanged.
