BEST CONTRACTING SERVICES, INC.

C.V. OVERVIEW – ROBERT MARS

Born and educated in Kenosha WI, Bob comes from a roofing family. His father owned Mars Roofing in Kenosha, and from his earliest days Bob has been associated with the roofing industry. In summer, during his teen years Bob worked on the roof with his father’s crews. He graduated from the University of Wisconsin at Lacrosse in 1968 with a B.S. in Business Administration.

Shortly after graduation he was drafted into the U.S. Army where he served for two years, one in Vietnam. After leaving the service Bob moved to California and worked for Vetri Roofing for four years in many capacities.

In 1977 he affiliated with The Bryant Organization as Superintendent of the Merit Shop (they also operated a Union Shop) which applied the traditional “hot” asphalt built-up roofing systems. During that period the modified bitumen and single ply roofing systems became more prevalent and Bob embraced the new technology and became knowledgeable about them.

Another new roofing technology introduced during that era was sprayed-in-place Polyurethane Foam. In 1984 Bryant acquired a polyurethane foam roofing company in San Bernardino, CA called Circle Arrow and Bob was assigned to manage that acquisition, growing that division substantially. In 1991 he was made COO of all the Bryant Merit Shops in Southern California and elevated to General Manager in 1993.

Bryant was acquired in 1994 by another company. Bob then moved to Centimark as Manager for their So. California operations.

Bob joined BEST Contracting in 1998 as COO, a position he currently holds.

Bob helped found and was made President of the then-newly formed niche Service Disabled Veteran Owned Small Business, Patriot Contracting, in 2008 a position he currently holds.

Bob is a member of several committees of the National Roofing Contractors Association (NRCA) and a member of RIEL staff.
