DESIGNATION OF SUBCONTRACTORS

In compliance with the Subletting and Subcontracting Fair Practices Act (Public Contract Code Sections 4100 et. seq.) and any amendments thereof, each BIDDER shall set forth below: (a) the name, license number, and the location of the place of business of each SUBCONTRACTOR who will perform work or labor or render service to the BIDDER (prime CONTRACTOR) in or about the construction of the work or improvement to be performed under the Contract or a SUBCONTRACTOR licensed by the State of California who, under subcontract to the BIDDER (prime CONTRACTOR), specially fabricates and installs a portion of the work or improvement according to detailed drawings contained in the plans and specifications in an amount in excess of one-half of one percent of the BIDDER'S (prime CONTRACTOR's) total bid and (b) the portion of the work which will be done by each SUBCONTRACTOR. The BIDDER (prime CONTRACTOR) shall list only one SUBCONTRACTOR for each such portion as is defined by the BIDDER (prime CONTRACTOR) in this bid.

The BIDDER (prime CONTRACTOR) shall possess an “B-License” for this contract/project. All work requiring a specialty license and/or certification under applicable law shall be performed by SUBCONTRACTORS (to the prime CONTRACTOR) who possess the required specialty licenses and/or certifications, unless the prime CONTRACTOR itself holds such specialty license(s) and/or certification(s), in which case the prime CONTRACTOR can self-perform such portions of the work under such specialty license(s) and/or certification(s). At the time of submitting its bid, the prime CONTRACTOR shall list all work requiring a specialty license and/or certification and identify: (1) who will perform each portion of such work; and (2) the corresponding specialty license/certification, including the license/certification number and holder thereof. Failure to comply with these requirements may result in the bidders bid being deemed non-responsive.

If a BIDDER (prime CONTRACTOR) fails to specify a SUBCONTRACTOR, or if a BIDDER (prime CONTRACTOR) specifies more than one SUBCONTRACTOR for the same portion of work to be performed under the Contract in excess of one-half of one percent of the BIDDER’S (prime CONTRACTOR's) total bid, BIDDER shall be deemed to have agreed that BIDDER is fully qualified to perform that portion, and that BIDDER alone will perform that portion. Violation of this requirement (including the procurement of a SUBCONTRACTOR for the PROJECT if no SUBCONTRACTOR is specified) can result in the DISTRICT invoking the remedies of Public Contract Code Sections 4110 and 4111.

No BIDDER (prime CONTRACTOR) whose bid is accepted shall (a) substitute any SUBCONTRACTOR, (b) permit any SUBCONTRACTOR to be voluntarily assigned or transferred or allow it to be performed by anyone other than the original SUBCONTRACTOR listed in the original bid, or (c) sublet or subcontract any portion of the work in excess of one-half of one percent of the BIDDER’S (prime CONTRACTOR’s) total bid as to which the original bid did not designate a SUBCONTRACTOR, except as authorized in the Subletting and Subcontracting Fair Practices Act. Subletting or subcontracting of any portion of the work in excess of one-half of one percent of the BIDDER’S (prime CONTRACTOR’s) total bid as to which no SUBCONTRACTOR was designated in the original bid shall only be permitted in cases of public emergency or necessity, only after a finding reduced to writing as a public record of the DISTRICT awarding this PROJECT setting forth the facts constituting the emergency or necessity.
NEWPORT MESA UNIFIED SCHOOL DISTRICT

Note: If alternate bids are called for and BIDDER intends to use different or additional SUBCONTRACTORS on the alternates, a separate list of SUBCONTRACTORS must be provided for each such alternate. Identify additional list of SUBCONTRACTORS by Alternate Bid No. ___#1________.
## BIDDER is to provide license numbers for each SUBCONTRACTOR listed above with their bid and agrees that within twenty-four (24) hours of the bid opening, BIDDER shall provide the DISTRICT with expiration date of license, complete address and telephone numbers of each listed SUBCONTRACTOR if such information is not available at the time of the bid opening.

**California Requirements**

- The State of California requires a three percent (3%) participation level in state contracts to further disabled veteran business enterprise (DVBE) participation in California.

- Only DVBEs, possessing a current DVBE certification issued by DGS, may be claimed for participation. Over 600 DVBE firms are presently certified.

**DHS Rights / Requirements**

- Unless DVBE participation is exempted by DHS, a 3% DVBE participation level is required for all service contracts with a total value of $10,000 or more.

- DHS reserves the right to exempt any contract from DVBE participation when it is determined to be in the Department's best interest to do so.

- DHS reserves the right to waive DVBE participation requirements at any time prior to the bid/proposal submission deadline. Said waivers may be announced by way of a faxed or written correction notice, administrative bulletin, or bid document addendum.

**For answers or help, dial:**

(916) 375-4940

- DHS reserves the right to contact bidders/proposers during the bidding/evaluation process to collect clarifying information or to request corrections, as necessary, to DVBE documentation.

- The accompanying instructions must be strictly followed. Failure to do so may be grounds for bid/proposal disqualification. Dial (916) 375-4940, if you have a question or need help.
DVBE Instructions

Participation Requirements of this Solicitation

- Each prime CONTRACTOR must either achieve 3% DVBE participation or demonstrate that an adequate “Good Faith Effort” (GFE) was made to achieve DVBE participation.

- Firms submitting bid responses with either less than 3% DVBE participation and/or a less than adequate GFE, will be deemed nonresponsive and ineligible to receive a contract award.

How to Calculate 3% Participation

- Unless instructed otherwise in the bid document, first determine the total dollar value/amount that will be bid, then multiply this figure by 3% to determine how much of the contract budget should be spent on DVBE supplied services, labor, supplies, materials, or equipment.

How to Meet Participation Requirements

1. If the prime CONTRACTOR IS a DVBE, commit to use your own workforce alone or in combination with other DVBEs to perform commercially useful services/functions equal to no less than 3% of the contract bid amount. If this fits your firm’s situation, do the following:

   Go to page 23. On the form entitled “Actual DVBE Participation”, list your firm’s name, the name of other participating DVBEs, complete all items, and attach a copy of the DVBE certification issued by DGS to your firm and all other participating DVBE firms.

   OR

2. If the prime CONTRACTOR IS NOT a DVBE, it must commit to use or subcontract out an amount equal to 3% of the total contract bid amount to qualified DVBE service providers and/or suppliers. If this fits your firm’s situation, do the following:

   Go to page 23. On the form entitled “Actual DVBE Participation”, list the proposed DVBEs, complete all items, and attach a copy of each DVBE’s current DVBE certification issued by DGS.

   OR

3. If the prime CONTRACTOR IS NOT a DVBE, and the bid document is solely soliciting electronic data processing (EDP), information technology (IT), and/or telecommunications services, goods, supplies, equipment, and/or EDP and/or telecommunications services, do the following:

   Submit a copy of your firm’s “Notice of Approved DVBE Business Utilization Plan” issued by DGS’ Procurement Division (PD).

DVBE Instructions

How to Meet Participation Requirements (continued)

Business Utilization Plans, when allowed, must be submitted to DGS' Procurement Division (PD) prior to the bid/proposal submission deadline and must be subsequently approved. **Business Utilization Plans may not be submitted in lieu of actual DVBE participation or in lieu of performing the DVBE good faith effort process for construction or non-EDP or non-IT service contracts.**

Instructions and additional information about Business Utilization Plans may be obtained from:

Department of General Services – Procurement Division
Office of Small Business and DVBE Outreach and Education
707 Third Street, 2nd Floor
P.O. Box 989052
West Sacramento, CA 95798-9052

or by calling:

DGS' Receptionist at (800) 559-5529 or (916) 375-4400

OR

4. **Conduct all five (5) steps of the “Good Faith Effort (GFE)” process to show what efforts were made to achieve DVBE participation.** If your firm is not a certified DVBE or your firm cannot achieve a full 3% DVBE participation level of the total contract bid amount, do the following:

Go to page 20. Follow the instructions for each of the 5 good faith effort steps. Document your firm’s GFE efforts on the form entitled “Good Faith Effort” appearing on pages 24 and 25.

(Continued on the next page)
GFE Steps / Instructions

Document your GFE efforts on the form in this package entitled "Good Faith Effort".

Do not delay until the final days before your bid is due to start this process.

These five steps may require 4 weeks or more to complete.

1. Dial (916) 324-0140, the DHS Contract Management Unit voice mail telephone line, to obtain:
   a. A referral to another state agency that provides a list of DVBE firms, publication resources, or other information.
   b. Assistance in completing the DVBE forms in this package.
   c. Answers to questions about DVBE participation and/or GFE documentation requirements.

2. Contact other state AND federal agencies AND local DVBE organizations for assistance in identifying potential DVBE service providers or suppliers.
   a. Contact one or more California state agencies. The Office of Small Business and DVBE Certification (OSDC) program of DGS qualifies as one of these contacts. Dial DGS' live operator at (800) 559-5529 to obtain the current DVBE Resource Packet or visit DGS' Internet site at http://www.dgs.ca.gov/osbc to download the complete list of certified DVBEs.
   b. Contact one or more local California DVBE organizations listed in the DVBE Resource Packet.
   c. Contact the Federal Small Business Administration (SBA) for a listing of potential DVBEs via the following Internet site: http://pro-net.sba.gov. SBA will not accept telephone contacts. Before using a DVBE referred by the Federal SBA to meet goal participation, verify that the named DVBE is registered with DGS as a certified California DVBE.
   d. Enter on the form entitled "Good Faith Effort": Date/time of contact; name of organization contacted; contact method; and telephone number, e-mail, or Internet address. As proof of contacts, at Internet websites, attach a copy of each Internet website page that you visit (e.g., DGS' OSDC and federal SBA).

3. Unless GFE advertising is waived by DHS due to time constraints, advertisements for DVBE service providers, SUBCONTRACTORS or suppliers must be placed in at least:
   a. One "trade" publication related to a trade or industry, and
   b. One "focus" publication whose ads are specifically distributed and focused to reach DVBE firms. OR
   c. One publication that qualifies as both "trade" and "focus". See the DVBE Resource Packet for a listing of applicable publications.

(Continued on the next page)
3c. GFE advertising instructions (continued)

1) Ad placement may be specifically directed to publications that distribute their ads to businesses in the geographical areas where the work will be performed.

2) *Ads should appear in publications 10–14 calendar days* prior to the date your bid or proposal response is due to be submitted to DHS. Ads for DHS procurements do not need to be publicized for any specific length of time.

   Give potential SUBCONTRACTORS/suppliers ample time (i.e., no less than 3-5 working days) to respond to your ad(s), while allowing your firm sufficient time to seriously consider each firm that responds.

3) *Ads should contain* information similar to the following:

   [Enter your company name]
   [Enter description/list of services/supplies, etc.]
   in [Enter geographical service area/location, if applicable]
   for DHS IFB/RFP [Enter DHS IFB/RFP number or Project Name]
   Contact: [Enter your name, address, telephone number, fax number, and/or e-mail ID]
   Submit qualifications by: [date/time] or
   Submit bids by: [date/time]

4) Ads placed in general circulation newspapers including the *LA Times* or the *Sacramento Bee* are not acceptable.

5) If GFE advertising has not been waived by DHS, attach to the form entitled “*Good Faith Effort*” appearing on pages 8–9, either a copy of the ad(s) or a written description citing the exact wording of the ad(s). Indicate, in Step 3 on the Good Faith Effort form, the publication date, whether the publication is a trade publication, focus publication, or both, and whether an ad copy or written ad content is attached.

4. Transmit direct solicitations or invitations to bid to potential DVBEs, identified in Steps 2 and/or 3, by way of mail, telephone, personal e-mail, fax, or other method.

   a. Submit a single sample of one direct solicitation.

   b. If contact was by telephone, document the conversation, date of contact, person contacted, and business opportunities discussed.
DVBE Instructions

GFE Steps / Instructions (continued)

Document your GFE efforts on the form in this package entitled “Good Faith Effort”.

Do not delay until the final days before your bid is due to start this process.

These five steps may require 4 or more weeks to complete.

Participation and GFE forms appear in the pages that follow.

Use of Proposed DVBEs

If awarded the contract, the selected CONTRACTOR must faithfully use each DVBE proposed for use and identified on the form entitled “Actual DVBE Participation”. Exceptions are only allowed if the CONTRACTOR submits a Request for Substitution to the DHS Program Contract Manager and that request is subsequently granted by DHS.

Substitution instructions appear in the “Special Terms and Conditions” exhibit clause entitled “Use of Disabled Veteran Business Enterprises”. A copy of this exhibit is attached to the bid document and/or will be attached to the contract.

(Continued on the next page)

5. Show that the interested DVBE firms that responded to your ad(s) and/or direct solicitations were considered. Bidding firms are strongly encouraged to achieve full or partial DVBE participation, when performing the GFE process.

a. List the DVBE firms that responded to your ad(s) or direct solicitations, if any. If no responses are received, indicate “none”, as instructed in Step 5 on page 25.

For each DVBE listed in Step 5 on page 25, indicate if your firm:

1) WILL USE the DVBE for a specific percentage amount of your bid. For each firm you will use, do the following:

List the name of these DVBEs on the form entitled “Actual DVBE Participation”. Indicate whom the DVBE will contract with, the nature of their services or supplies, the claimed percentage of use, and their contracting tier. Attach, to this form, a copy of the current DVBE certification issued to the DVBE by DGS.

OR

2) WILL NOT USE the DVBE after giving consideration to such things as the DVBE’s qualifications, availability, capacity to perform/deliver, location, reference checks, and/or the services offered or goods supplied, etc.

For each of these firms, indicate, in Step 5 on page 25, the business reason(s) for not choosing to use the DVBE.

Completion Instructions

For each entry in Column 2A, transfer the firm’s name and claimed percentage value to the form entitled “Actual DVBE Participation”. Do not enter percentages as a decimal or fraction, instead round numbers to the nearest whole number. Complete Column 2A, only for those DVBE’s that your firm fully intends to use. An entry in Column 2A will impose an obligation on your firm to use the DVBE firm shown for the percentage value claimed.

Place an “X” in Column 2B for each interested DVBE that your firm does not intend to use.

Complete Column 3 for each “X” placed in Column 2B. In Column 3, indicate the business reason(s) for not selecting the DVBE firm.

If necessary or desired, this form may be photocopied or reproduced in a like form for use in your bid response. If you choose to render a like copy by computer or other means, the instructions appearing on pages 1–6 may be omitted.

Sole authority rests with DHS to determine whether or not a bidder/proposer has successfully documented actual DVBE participation and/or whether a bidder/proposer has made an adequate GFE to achieve participation. Bidders/proposers may, at their sole option, choose to submit both forms in this package (documenting both full participation and a GFE) as insurance against a finding that the actual participation claimed is unacceptable. Should a bidder/proposer choose to do so, it may fax its proposed DVBE participation and/or Good Faith Effort forms to DHS at (916) 323-4091 for a preliminary acceptance review, prior to submitting these forms in a bid/proposal response. Do not transmit any other bid response materials to this telephone number. Preliminary DVBE acceptance reviews will be completed within 3 working days of receipt.
