ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – AUTOMATIC STATUS WHEN REQUIRED IN WRITTEN CONTRACT OR AGREEMENT WITH YOU – INCLUDING COMPLETED OPERATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. Section II – Who Is An Insured is amended to include as an additional insured any person or organization for whom you are performing operations, but only when you and such person or organization have agreed in writing in a contract or agreement prior to the commencement of such operations that such person or organization be added as an additional insured on your policy. Such person or organization is an additional insured only with respect to liability for “bodily injury”, “property damage” or “personal and advertising injury” but only to the extent caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;
in the performance of “your work” for an additional insured.

B. The insurance afforded to an additional insured shall only include the insurance required by the terms of the written agreement and shall not be broader than the coverage provided within the terms of the Coverage Part.

C. The Limits of Insurance afforded to an additional insured shall be the lesser of the following:

1. The Limits of Insurance required by the written agreement between the parties; or
2. The Limits of Insurance provided by this Coverage Part.

D. With respect to the insurance afforded to an additional insured, the following additional exclusions apply:

This insurance does not apply to:

1. “Bodily injury”, “property damage” or “personal and advertising injury” arising out of any act or omission of an additional insured or any of its employees.
2. “Bodily injury”, “property damage” or “personal and advertising injury” arising out of the rendering of, or the failure to render, any architectural, engineering or surveying services, including:
   (a) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
   (b) Supervisory, inspection, architectural or engineering activities.
3. “Bodily injury”, “property damage” or “personal and advertising injury” arising out of any construction projects that are part of a consolidated (wrap-up) insurance program. This exclusion also applies to any:
   (a) Work or operations performed; or
   (b) Materials, parts or equipment furnished; in connection with such wrap-up construction projects, regardless of whether they are performed or furnished at the location of the wrap-up construction project or anywhere else.

Blanket Where Required by Written Contract;

(If no entry appears above, information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement.)

The TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US Condition (Section IV COMMERCIAL GENERAL LIABILITY CONDITIONS) is amended by the addition of the following:

We waive any right of recovery we may have against the person or organization shown in the Schedule above because of payments we make for injury or damage arising out of your operations or "your work" done under a written agreement that requires you to waive your rights of recovery. The written agreement must be made prior to the date of the "occurrence". This waiver applies only to the person or organization shown in the Schedule above.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

AMENDMENT – OTHER INSURANCE (PRIMARY NONCONTRIBUTORY)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

Condition 4. Other Insurance of SECTION IV COMMERCIAL GENERAL LIABILITY CONDITIONS is replaced by the following:

a. Primary Insurance

This insurance is primary except when b. below applies. If this insurance is primary, our obligations are not affected unless any of the other Insurance is also primary. Then, we will share with all that other insurance by the method described in a. below, except that we will not seek contribution from any party with whom you have agreed in a written contract or agreement that this insurance will be primary and noncontributory, if the written contract or agreement was made prior to the subject "occurrence" or offense.

b. Excess Insurance

This insurance is excess over:

(1) Any of the other insurance, whether primary, excess, contingent or on any other basis:

(a) That is Fire, Extended Coverage, Builder’s Risk, Installation Risk or similar coverage for "Your Work."

(b) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

(d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Section I – Coverage A – Bodily Injury And Property Damage Liability.

(2) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured by attachment of an endorsement.

When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured’s rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal share, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

ECG 24 520 08 05 Includes copyrighted material of Insurance Services Office, Inc., with its permission.
If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

(If no entry appears above, information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement.)

A. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under SECTION I – Coverage A, and for all medical expenses caused by accidents under SECTION I - Coverage C, which can be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:

1. A separate Designated Construction Project General Aggregate Limit applies to each designated construction project, and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations. However, the separate Designated Construction Project General Aggregate Limit(s) are subject to a Designated Construction Project General Aggregate Limit Cap in the amount shown in the above Schedule of this endorsement. The Designated Construction Project General Aggregate Limit Cap is the most we will pay under the Designated Construction Project General Aggregate Limit for all designated construction projects combined.

2. The Designated Construction Project General Aggregate Limit is the most we will pay for the sum of all damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under Coverage C regardless of the number of:
   a. Insureds;
   b. Claims made or "suits" brought; or
   c. Persons or organizations making claims or bringing "suits".

3. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the Designated Construction Project General Aggregate Limit for that designated construction project and the Designated Construction Project General Aggregate Cap. Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Construction Project General Aggregate Limit for any other designated construction project shown in the Schedule above. However, such payments for damages and medical expenses included in the Designated Construction Project General Aggregate Limit for all designated construction projects combined will reduce the Designated Construction Project General Aggregate Limit Cap.

4. The limits shown in the Declarations for Each Occurrence, Fire Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Construction Project General Aggregate Limit.

B. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under SECTION I – Coverage A, and for all medical expenses caused by accidents under SECTION I – Coverage C, which cannot be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:

1. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

2. Such payments shall not reduce any Designated Construction Project General Aggregate Limit.

C. When coverage for liability arising out of the “products-completed operations hazard” is provided, any payments for damages because of “bodily injury” or “property damage” included in the “products-completed operations hazard” will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Construction Project General Aggregate Limit.

D. If the applicable designated construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.

E. The provisions of Section III - Limits Of Insurance not otherwise modified by this endorsement shall continue to apply as stipulated.

F. If this policy contains any retained limits, Self Insured Retentions, deductibles or similar provisions, such provisions shall also apply to this endorsement.

A. Who Is An Insured

The following is added to Paragraph A.1. of Section II – Covered Autos Liability Coverage:

d. Any:

(1) Subsidiary which is a legally incorporated entity of which you own greater than 50% interest in the voting stock on the effective date of this Coverage Form. However, the insurance afforded by this provision does not apply to any subsidiary that is an "insured" under any other automobile liability policy, or would be an "insured" under such policy but for the termination of such policy or the exhaustion of such policy’s limits of insurance.

(2) Organization you newly acquire or form, and over which you maintain majority interest.

The coverage afforded by this provision:

(a) Is effective on the acquisition date, and is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier;

(b) Does not apply to "bodily injury" or "property damage" resulting from an "accident" that occurred before you acquired or formed the organization; and

(c) Does not include any newly acquired or formed organization that is:

(i) A joint venture or partnership; or

(ii) An "insured" under any other automobile liability policy or would be an "insured" under such policy but for the termination of such policy or the exhaustion of such policy’s limits of insurance.

e. Any person, organization or governmental entity with respect to the operation, maintenance, or use of a covered "auto" if you are required to add such person, organization or governmental entity to this policy as an additional insured in order to comply with the terms of a written "insured contract" or written agreement. This does not apply when such contract or agreement:

(1) Involves the owner or anyone else from whom you hire or borrow a covered "auto" unless it is a "trailer" connected to a covered "auto" you own, or

(2) Is executed after the date of loss.

Paragraph e.(2) does not apply if:

(1) The terms and conditions of the written "insured contract" had been agreed upon prior to the "accident" or "loss"; and

(2) You can definitively establish that the terms and conditions of the written "insured contract" ultimately executed are the same as those which had been agreed upon prior to the "accident" or "loss".

f. Any of your "employees" while using a covered "auto" in your business or your personal affairs, provided you do not own, hire or borrow that "auto".

B. Coverage Extensions - Supplementary Payments

Paragraphs A.2.a.(2) and A.2.a.(4) of Section II – Covered Autos Liability Coverage are replaced by the following:

(2) Up to $3,000 for cost of bail bonds (including bonds for related traffic violations) required because of an "accident" we cover. We do not have to furnish these bonds.

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to $1,000 a day because of time off from work.

C. Fellow Employee

The following exception is added to exclusion 5. Fellow Employee under paragraph B. Exclusions of Section II – Covered Autos Liability Coverage:

This exclusion does not apply if the "bodily injury" results from the use of a "covered auto" you own or hire. The coverage provided under this exception is excess over any other collectible insurance.

D. Towing

Paragraph A.2. of Section III – Physical Damage Coverage is replaced by the following:

2. We will pay for towing and labor costs each time that a covered "auto" is disabled. All labor must be performed at the place of disablement of the covered "auto". If the auto is not a private passenger type, a $250 deductible will apply to this coverage but it will not reduce the available limit of insurance. For all types of "auto", the most we will pay under this coverage is $1,000 per disablement. "Autos" which are disabled do not include stolen vehicles.
E. Glass Breakage – Hitting A Bird Or Animal – Falling Objects or Missiles

The following is added to Paragraph A.3. of Section III – Physical Damage Coverage:

Any deductible shown in the Declarations will not apply to glass breakage if such glass is repaired, in a manner acceptable to us, rather than replaced. If the glass must be replaced and there is no other damage associated with the "loss", the deductible will be $100 unless a lower deductible is shown in the Declarations applicable to this coverage.

F. Loss Of Use Expenses

Paragraph A.4.b. of Section III – Physical Damage Coverage is replaced by the following:

b. Loss Of Use Expenses

For Hired Auto Physical Damage, we will pay expenses for which an "insured" becomes legally responsible to pay for loss of use of a vehicle rented or hired without a driver, under a written rental contract or agreement. We will pay for loss of use expenses if caused by:

(1) Other than collision only if the Declarations indicate that Comprehensive Coverage is provided for any covered "auto";

(2) Specified Causes Of Loss only if the Declarations indicate that Specified Causes Of Loss Coverage is provided for any covered "auto";

(3) Collision only if the Declarations indicate that Collision Coverage is provided for any covered "auto".

However, the most we will pay for any expenses for loss of use is $50 per day, to a maximum of $1,000.

G. Extra Expense – Stolen Vehicle

The following is added to Paragraph A.4. of Section III – Physical Damage Coverage:

c. Stolen Vehicle

We will pay for all reasonable and necessary expenses to return a stolen covered "auto" to you.

H. Airbag Coverage

The following exception is added to Paragraph B.3.a. of Section III – Physical Damage Coverage:

The accidental discharge of an airbag shall not be considered mechanical breakdown if it occurs in a covered "auto" for which Comprehensive coverage is purchased. This provision does not apply to "autos" you hire with a driver and excess over any warranty specifically designed to provide this coverage.

I. Electronic Equipment Coverage

Section III – Physical Damage Coverage is amended as follows:

1. The sublimit in Paragraph C.1.b. of the Limit Of Insurance Provision is increased to $3,000.

2. No Physical Damage Coverage deductible applies to the first $3,000 of "loss" to electronic equipment described in Paragraph C.1.b. of the Limit Of Insurance Provision.

J. Single Deductible Provision

The following is added to Paragraph D. of Section III – Physical Damage Coverage:

If a Comprehensive or Specified Causes of Loss Coverage "loss" from "accident" involves two or more covered "autos", only the highest deductible applicable to those coverages will be applied to the "accident", if the cause of the loss is covered for those vehicles.

This provision only applies if you carry Comprehensive or Specified Causes of Loss Coverage for those vehicles, and does not extend coverage to any covered "autos" for which you do not carry such coverage.

If a "loss" covered under this Coverage Part also involves a "loss" to other property from the same "accident", which is covered under a Commercial Property or Inland Marine Coverage Part issued by us to you, only the highest deductible applicable to those coverages will be applied to the "accident".

K. Notice To Company

Paragraph A.2. of Section IV – Business Auto Conditions is amended as follows:

1. With respect to notification requirements, your obligation under Paragraph A.2.a. applies only when the "accident" or "loss" is known to:

   a. You, if you are an individual;

   b. A partner, if you are a partnership;

   c. A member, if you are a joint venture or limited liability company;

   d. An executive officer or insurance manager, if you are an organization other than a partnership, joint venture or limited liability company.

2. With respect to the requirements pertaining to you providing us with document concerning a claim or "suit", your obligation under Paragraph A.2.b. will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;

   b. A partner, if you are a partnership;

   c. A member, if you are a joint venture or limited liability company; or
d. An executive officer or insurance manager, if you are an organization other than a partnership, joint venture or limited liability company.

L. Blanket Waiver Of Subrogation

The following is added to Paragraph A.5. of Section IV – Business Auto Conditions:

a. However, we waive any right of recovery we may have against a person, organization or government entity when you have waived such right of recovery under a written "insured contract" that is:
  
(1) Currently in effect or becoming effective during the term of this policy; and
  
(2) Executed prior to the "accident" or "loss", or executed after the "accident" or "loss" if:
  
(a) The terms and conditions of the written "insured contract" had been agreed upon prior to the "accident" or "loss"; and
  
(b) You can definitively establish that the terms and conditions of the written "insured contract" ultimately executed are the same as those which had been agreed upon prior to the "accident" or "loss".

b. We hereby waive any right of subrogation against any of your officers, directors or employees which might arise by reason of any payment under the insurance afforded by the policy for the operation, maintenance, use, loading or unloading of a non-owned "auto".

This waiver extends only to payments in excess of other valid and collectible insurance available to the officer, director or employee.

M. Unintentional Failure To Disclose Hazards

The following is added to Paragraph B.2. of Section IV – Business Auto Conditions:

If you unintentionally fail to disclose any hazards existing on the effective date of this Coverage Form, we will not deny coverage under this Coverage Form because of such failure. However, this provision does not affect our right to collect additional premium due to us as a result of these undisclosed hazards in accordance with our filed rating plans.

N. Bodily Injury Includes Mental Anguish

Paragraph C. of Section V – Definitions is replaced by the following:

C. "Bodily injury" means bodily injury, sickness or disease sustained by a person, including "mental anguish" or death resulting from any of these at any time.

For the purpose of this provision, the term "mental anguish" shall mean any type of mental or emotional illness or distress.

O. Mexico Coverage

The coverage provided by this policy for covered "autos" you own or lease on a long term basis without drivers are extended to "accidents" or "losses" occurring in Mexico if:

1. The covered "auto" is in Mexico for a period not exceeding 10 days; and

2. The covered "auto" is principally garaged and used in the United States; and

3. The driver of the covered "auto" does not reside in Mexico;

For Liability Coverage to apply to "accidents" occurring in Mexico, the following must also apply:

1. Valid and collectible auto liability insurance for the covered "auto" has been purchased from a licensed Mexican Insurance Company and is in force at the time of the "accident"; and

2. The original "suit" for damages is brought within the United States.

For "losses" payable under Physical Damage Coverage this additional restriction applies:

We will pay "losses" under Physical Damage Coverage in the United States, not in Mexico. If the covered "auto" must be repaired in Mexico in order to be driven, then the most we will pay for "loss" is the lesser of the following:

1. The cost of repairing the "auto" or replacing its parts in Mexico; or

2. The cost of repair or replacement at the nearest point in the United States where the repairs or replacement could be made.

Other Insurance:

The insurance provided by this section will be excess over any other collectible insurance.

(This agreement applies only to the extent that you perform work under a written contract that requires you to obtain this agreement from us.)
