Notice Regarding Wellness Program

**NMUSD Wellness for Life** is a voluntary wellness program available to all employees, with certain aspects being limited to employees enrolled in a medical plan through District benefits. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others.

If you are an employee enrolled in a medical plan through **NMUSD benefits** and choose to participate in the wellness program you will be asked to participate in a voluntary Health Awareness Incentive Program, which will include completion of a Wellness Screening and Health Assessment. The Wellness Screening will include a standard blood test for cholesterol, triglycerides, and glucose levels. The Health Assessment or asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You are not required to complete the Wellness Screening or Health Assessment, however, those who choose to participate in the Health Awareness Incentive Program and complete both actions will receive an incentive of $100. Although you are not required to complete the Health Assessment or Wellness Screening, only those who do so will receive the $100 reward.

Your individual results from the Wellness Screening and Health Assessment are 100% confidential, and are not shared with NMUSD. Your results will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as telephonic coaching. You are also encouraged to share your results or concerns with your own doctor.

All employees, regardless of benefit eligibility or enrollment may be eligible for additional incentives for participating in certain health-related activities such as onsite wellness seminars, activity challenges (Walkingspree), newsletter drawings, etcetera. If you are unable to participate in any of the health-related activities required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting your wellness program coordinator, Troy Bacon at wellness@nmusd.us.
