Are the medications Express Scripts Pharmacy fills the same quality as what I’d get at a retail pharmacy?
Yes. All medications Express Scripts Pharmacy fills through home delivery are approved by the U.S. Food and Drug Administration (FDA). If the medication Express Scripts Pharmacy sends looks different from your current medication, it’s probably because they get it from a different manufacturer than your retail
pharmacy does. If you have any questions about the medication you get, call Express Scripts Pharmacy. They're always happy to review your medication with you.

**How can I be sure that Express Scripts Pharmacy will fill my prescriptions correctly?**

All prescriptions are filled by licensed pharmacists. They follow the same state and federal guidelines that retail pharmacists do.

**Before filling my prescriptions, will Express Scripts Pharmacy check to see if my medications interact with each other?**

Yes. Everyone who uses Express Scripts Pharmacy must provide information about his/her allergies and health conditions. Express Scripts’ pharmacists will review this information before they fill your order. If it looks like your medications may cause a serious or dangerous health issue when taken at the same time, the pharmacist will contact your doctor’s office to talk about your options.

**What do I do if I have a question about my medication?**

Call **800.835.3784** to talk with an Express Scripts pharmacist at any time, 24/7.

**How safe is it to have my medication shipped through home delivery?**

It’s very safe to fill your medication through home delivery. Millions of people have their medication delivered to their home (or location of their choice) every day. Express Scripts Pharmacy’s packaging is designed to protect your privacy and stand up to bad weather. And if your medication needs refrigeration, they provide that, too. Express Scripts Pharmacy will ship to your home or workplace – or even to a vacation location – to make sure you get your medication when and where you need it.

**My medication has to be kept cold. Will Express Scripts Pharmacy be able to do this?**

Yes. If your medication needs to be refrigerated, Express Scripts Pharmacy will send it in an insulated box or foam cooler with ice packs.
